Dear Parents,

Thank you so much for choosing Big Sky Pediatric Therapy for your child's therapy needs. At Big Sky, we are committed to the highest quality of care for our patients and their families.

Beginning April 1st, 2018, Big Sky Pediatric Therapy will enact a one-time \$35.00 account activation and administration fee for all new patients. This fee helps guarantee that we can continue providing the highest level of care to our patients and their families due to significant annual decreases in reimbursement rates paid by insurance and managed care companies to medical practices.

Thank you for allowing Big Sky to partner with your family on your child's path to success and for letting us show your child that the sky is not the limit but just the beginning!

Sincerely,

The Big Sky Team
